

THE PROMPT-

December 2011- Abridged version

CDDG OFFICERS AND COMMITTEE
Wish you all
A VERY HAPPY CHRISTMAS

From The Chairman

Dear Fellow Thesps

First of all Happy Christmas!! Hope everyone has a great time and comes back refreshed and happy. We shall hurl ourselves straight into panto on our return so be ready. As Front of House Manager I am looking for helpers for each show. The commitment is to arrive by 6.45 (1.45 for Sat Matinee) and stay till after the interval. Some jobs allow you to watch the show as well, some require you to prepare before and clear up after the interval. You can do 1 or more shows (obviously the more the better!) I really do need help so please volunteer – I would be very grateful and honestly it is fun – the worst part is trying to stifle the giggles as the cast come off stage and make comments! Otherwise we are forging ahead with all our plans and the future is looking very positive.

Yours actingly
Aline
