

THE PROMPT - January 2014 - abridged version

From the Chair:

First and foremost Happy New Year to you all, I hope that you had a enjoyable festive season. Looking back to the end of 2013, Karnon Kids' Khristmas Krackers was a really good show. A little different from our usual productions but we unearthed some new hidden talent which was excellent. It was funny, clever, thought provoking, at times very beautiful and a great way to start Christmas. I am also delighted to hear that The Deep Blue Sea has been nominated for Best Drama Production at the NODA awards. Another big feather for our cap. but time does not stand still, so, upward and onward. We have cast both of our One Act Plays for the Cornwall One Act Play Festival. I know that both directors are very pleased with their cast and are looking forward to getting their teeth into the shows. Finally, of course, the Pantomime. - I slipped in and out of rehearsals on Sunday and everything is coming together really well. We still need help with the paint brush so please note the stage work days and come along if you can, even if is only for an hour. Joyce and I are resurrecting the "dream team" for props so expect some odd requests from us very soon.

KARNON KIDZ KORNER:

Congratulations to everyone who took part and who was involved in any way with Khristmas Krackers. Unfortunately I was unable to see the show, but I hear it was a great success. The youngsters produced the show themselves, so they are to be highly commended for their effort. Thank you and well done. Ed:

Thank you so much to everyone both onstage, backstage and in the audience, who made Kristmas Krackers great.

What do we have in store for 2014? Well that is up to you and your ideas. We have the date booked and we are looking for willing volunteers to direct, choreograph or produce. Fancy giving it a go then contact us on the information line or via The Prompt.
