EDITORIAL:

Patience with modern technology and I do not go together!!! I have been without Broadband for over a week and not expecting to get it back for another week, so the air is somewhat blue above here. This means I have been unable to deal with the newsletter in the usual way, so please bear with me, if things are not quite as normal. Hopefully I will be able to rectify matters shortly. I do apologise. ED:

THE ONE ACT PLAY FESTIVAL:

As you know our entry ,"Just Hear My Voice" by Caitlin Rose, directed by Kath Archer, won through to the semi-finals in Teignmouth on 24th May. Sadly they did not win this time, but it was a close run thing with the winning play, so well done to everyone involved, in getting so far in the competition.

Now, those of you who have not seen our two award winning plays, **"Just hear My Voice"** and **"Ghosts of Bedlam",** directed by Ann Gwatkin, have the chance to see them both on 4th & 5th July at Illogan Village Hall, Churchtown, Illogan, TR16 4SW at 8pm. This is a new venue for us and we hope you will support us and come along. Tickets are £8 and you can book in advance, or, they will be available on the door. **Please note the BOX OFFICE is 01209 843343.** The hall is situated close to the church and you can ask for directions when you book your tickets or if you use sat nav the post code is TR16 4SW. It is a lovely hall, with plenty of parking space. So please do come along. We look forward to seeing you.

KARNON KIDZ KORNER:

MID SUMMER SHAKE UP: Well, what happened???!!!

We are very sorry to say that this will not be going ahead due to lack of interest. It is very disappointing as we had been led to believe that it was something Karnon Kidz would be interested in.

Your feedback please: What was it that did not appeal? Timing? Cost? Content? Any other comments?

Your suggestions and ideas for a future workshop project will be gratefully received, so please do contact me Ann Lejeune/Editor.

CORNWALL ONE ACT PLAY FESTIVAL 2015:

This will be going ahead on **10th & 11th April 2015.** One act plays are the ideal way for a novice director to begin directing, so if you haven't directed before but would like to, then do think about it and let us know. Again, you will receive assistance and support. The festival is aimed at new directors and actors. However, if you have directed before and would like to enter a play, then do let us know.

That's all for this month. Once again I apologise for not having access to my e mails and internet. However, once I am back to normal, I will send this out once again, just to make sure everyone receives it. In the meantime, my thanks to Pam Furnish for assisting me with the dispatch of this issue.
